

## Dawnbringers: Book I – Harbingers (Inglés)

Solo en inglés. The Dawnbringer Crusades – grand wars to reclaim land under the shadow of Chaos – have struck out across the realms, driven by the resolve of humble folk and the command of the God-King. As the Era of the Beast rages, the lords of Hammerhal prepare a crusade of staggering vision. Yet beyond their walls, champions and instigators rally their legions, while in the corridors of power, corruption festers. A rain of despair spreads across the Mortal Realms, and even as Sigmar's worshippers begin their grand muster to quell this sinister phenomenon, the heralds of other powers take up their blades... The drums of war beat on, but will the Twin-Tailed Crusade falter before it begins? Harbingers is the first chapter of Dawnbringers, an epic new series of books driving forward the narrative for Warhammer Age of Sigmar. You'll find loads

of riveting background material detailing the coming Twin-Tailed Crusade that aims to reconquer both Aqshy and Ghyran, the Realms of Fire and Life, as well as the Harbingers of Order, Chaos, Death, and Destruction who herald its victory or doom. The book also includes a Path to Glory battlepack for waging narrative war across lands ridden with upheaval, plus four new Regiments of Renown.
