

Battletome: Lumineth Realm-lords (Inglés)

Solo en inglés. Graceful of mind as well as of body, the Lumineth Realm-lords are the quintessence of all that is aelven. Their speech is eloquent and their mastery of arcane matters supreme, for the Ten Paradises of Hysh have blessed them with uncanny intellect. The Lumineth consider themselves the most advanced of all living creatures, and they would gladly devote their entire existence to the furtherance of their own fields of expertise. But since the disasters of the Age of Chaos, they have recognised the need to take up arms in defence of the Mortal Realms, lest the cosmos be torn to shreds by the Dark Gods.
