

BATTLETOME: DOMINION OF CHAOS (HB) (ENG)

A comprehensive guide to the eldritch ruins and mysterious places of fell power lurking within the mortal realms, Battletome: Dominion of Chaos details incredible shrines to forgotten gods, gateways that flicker with weird energies and magic-soaked, crumbling edifices that man should not venture near. These remnants of once-mighty civilisations have stood mute and aghast as the Dark Gods ground down the very fabric of the world around them, until their glory was hidden by time and dust, and their magnificence forgotten to history. For the brave, these relics hold the power to turn the tide of battle in their favour – be they servant of the Dark Gods or heroic, lightning-forged Stormcast Eternal – and thus vast struggles and desperate battles will arise upon these ruinous battlegrounds.
