

## BATTLETOME: FYRESLAYERS (HARDBACK) (ENG)

Forged in flame and war, the Warriors of Grimnir march on! Charging into battle without hesitation, screaming war cries at a cowering foe while hefting enormous war-axes, the Fyreslayers are the descendants of the shattered warrior god Grimnir. They bear runes of shining ur-gold hammered into their flesh - ur-gold which, they believe, contains the very essence of Grimnir himself, giving the incredible strength for which they are notorious. Since the Age of Myth they have travelled the realms searching for this precious bounty, offering their services to any who will pay; more than mere mercenaries, their quest is a matter of spiritual honour. Their fury in combat and unbreakable oaths are legend, and their axes are feared - berserk warriors born for war, the Fyreslayers burn with Grimnir's fury!
