

Battletome: Hedonites of Slaanesh (Inglés)

Solo en inglés. The Hedonites of Slaanesh revel in the vilest acts and most stimulating sensory excesses. The battlefields of the Mortal Realms provide an abundance of both. Empowered by depravity and addicted to the most extreme pains and pleasures imaginable, the servants of Slaanesh are a scourge on the realms. When the hosts of the Dark Prince go to war, preening mortal warriors stride forth alongside cruel quicksilver daemons, tearing apart their beguiled foes with ecstatic abandon.
