

BATTLETOME: IRONJAWZ (HB) (ENGLISH)

'Ere we go! Huge, hulking brutes, much taller and broader than a man, the Ironjawz rumble across the mortal realms in search of a good scrap. To them, nothing is so pleasing as the sound of battle – blades on metal, screams of the dying, the clamour and rattle of absolute violence is music to their ears. The most fightsome of all orruks, the Ironjawz are rightly feared all across the realms as their numbers swell and their Waaagh! grows ever larger. Megabosses stand astride massive, stompy Maw-krushas surrounded by thousands of lairy Brutes, Gore-gruntas charge into the foe with reckless abandon and twitching, muttering Shamans spit forth waves of unpredictable sorcerous energy – the Great Waaagh! is coming, and the Ironjaws are at the forefront, ready to smash some teef in!
