

Blood Bowl Ogre Team Pitch & Dugouts (Inglés)

Solo en inglés. Ogre stadia would be ruggedly handsome, nestled as they often are high up in the mountains, were it not for the bloodstains and craters full of picked-over bones. If you're into that sort of thing, it's extra pretty. If not, they can be a little less than welcoming. One side of this pitch features a barren, rocky field, dominated by a toothy ogre-faced pit filled with the remains of their last team, or meal, as they like to call it. The other side features the same pitch, but covered in snowfall after a winter blizzard, with some ominous red 'markings' for the End Zones... The pack also contains matching double-sided dugouts, replete with a score, goal and re-roll trackers, plus boxes for Reserves, Knocked Out and Serious Injuries. Rules to use both sides of the pitch are included for your reference.
