

Necromunda: House of Faith (Inglés)

Solo en inglés. From the outside, other Necromundans see House Cawdor as bonepickers, scavengers and beggars, little better than hive rats. But House Cawdor has faith, a faith so strong that it has been saved from extinction where so many other Clan Houses have succumbed to the march of time or other disasters. Get the ultimate guide to House Cawdor. This 136-page hardback book features the definitive history of the House and rules for fielding the eight different types of fighters available to House Cawdor – Word-Keepers, Priests, Firebrands, Deacons, Cawdor Brethren, Redemptionist Brethren, Bonepickers, and Zealots. It's ideal for fans of House Cawdor or anyone who wants to delve deeper into the dark side of the underhive.
