

Royal Navy 1st Rate (Inglés)

A Royal Navy 1st rate is a particularly dangerous foe in Black Seas, especially true when using the National Special Rules. In the game, 1st rates have the best access to customisation and upgrade options. Combine certain upgrades (we're fans of Master Gunner) with the British 'Drilled' special rule and your 1st rate will truly be an unstoppable force - but don't go into battle unsupported!
