

Wood Elf Pitch (Inglés)

Solo en inglés. Nature can be serene and idyllic, or mysterious and dangerous – so too with the wild and aloof Wood Elf teams. The Wood Elf pitch features an arboreal sanctuary, replete with trees and vegetation in full summer bloom, inhabited by an assortment of birds and woodland creatures. Zones are marked by tree roots peeking through the loam, and there's a large Wood Elf symbol in the centre of the pitch. Flip the board to discover the same scene, but transported in time to agreeable autumnal colours with glowing sunlight, trees in full color, and a warm, welcoming palette. The package includes two double-sided dugouts to match the style of the pitch. Each dugout features the usual score tracker, Reserves, Knocked Out and Serious Injury boxes, touchdown trackers for both halves, and a re-roll tracker. You'll also find rules to represent the particular features of both sides of the pitch.
